

Announcement from President of the Lebanese Academy of Sciences (Professor Edgar Choueiri):

A delegation from the Lebanese Academy of Sciences including Dr. George Bahr, **Dr. Fuad Ziyadeh**, and Dr. Nesreen Ghaddar (accompanied with the 2 members of the administrative committee Drs. Moukaddem and Ehtay) met with Prime Minister Mikati, on Saturday December, 10, 2011 at the 'Grand Serail' to introduce to him the Academy and to request from him to host the induction ceremony. The Prime Minister of Lebanon, serves as the honorary president of the Academy. Mr. Mikati was extremely positive in the meeting, gladly accepted to host the induction ceremony (to include Dr Ziyadeh) and the dinner at the Grand Serail on 21 January 2012, offered the use of an office in the Grand Serail as a meeting room for the Academy during the period of 21-24 January, 2012, during the general assembly meeting. He requested projects from the academy which could be financed, through his help, from public or private sources.
